

ABOUT NAVS

Our aim is to introduce people to Jesus, help them to know him better, and to teach others to teach others to do the same. We want to see people move forward in their relationship with Jesus and impact the world for Him. Come along and be part of the Navs group, enjoy the fun and the friendship.

Navigators has been around with RMC and ADFA since 1973, we have a proven history of helping cadets and midshipmen in their walk with God.

Navigators is supported by military and civilian Christians around Australia and we proudly work alongside ADF Chaplains and ADFA FOCUS.

SOCIAL EVENTS

Whether you prefer pizza nights, dinner, catching a movie or other activities, having fun together is one of the things we love doing.
