

ABOUT NAVS

Navigators has been around with RMC and ADFA since 1973. We have a proven history of helping cadets and midshipmen in their walk with God. Our aim is to **introduce everyone to Jesus, help them to know him better, and to teach others to teach others to do the same.** We want to see people move forward in their relationship with Jesus and impact the world for Him.

Come along and be part of the Navs group, enjoy the fun and the friendship.

Navigators is supported by military and civilian Christians around Australia and we proudly work alongside ADF Chaplains and ADFA FOCUS.

WEEKLY BIBLE DISCUSSIONS

To some, the Bible is the Word of God, to others just the most influential book ever written. Check it out with us and decide what you think. Each week we meet to read and discuss what the Bible has to say for us today.

GUEST SPEAKER NIGHTS

We run BBQs with retired/experienced military officers who share their stories of being a Christian in the military, and how their faith has shaped and supported them.

KICK OFF

Kick Off is a combined Navigators / FOCUS gathering in the first week of academics. Come along, meet new people, and learn how to get involved.
